

Getting tenure at Arkansas: 2015-2017 (promoted to Associate Professor August 2016)

Aug 2015: XNA-DFW-SEA-ANC-SCC-BRW-ANC-LAX-DFW-XNA. From upper left clockwise: my B737 approaching ANC. ANC is a spotting paradise, especially for freighters! A UPS MD-11, Alaska B734 combi (front half freight, back half passengers), Eva Air Cargo B744, Everts Air Cargo DC-6A, and Nippon Cargo B748.

Just for fun, I flew Anchorage (ANC) to Prudhoe Bay (SCC) to Barrow (BRW, now Utqiagvik), just to dip my toes in the Arctic Ocean. Some signage commemorating the event, and my Alaska Airlines B737 from BRW-ANC.

June 2016: XNA-SFO-NRT-HKG-PEK-NKG-HKG-NRT-SFO-XNA. Clockwise from upper left: my ANA 77W (SFO-NRT), my ANA 763 (NRT-HKG), my Hong Kong Airlines A332 (NKG-HKG), my CRJ-700 (SFO-XNA)
